Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 33T.L.—16th October 1939.—The Indian Bar Councils (Amendment) Bill by Mr. Akhil Chandra Datta, M.L.A., having been introduced in the Central Legislative Assembly on the 18th February, 1939 was published in Part VI of the *Calcutta Gazette* of the 4th May, 1939 for general information together with the Statement of Objects and Reasons annexed thereto. A motion was subsequently carried in the Central Legislative Assembly on the 15th September, 1939 in regard to the Bill that it should be circulated for the purpose of eliciting opinion thereon. Written expressions of opinion on the Bill by any person or public body should be sent so as to reach the Judicial Department of the Government of Bengal not later than the 15th December, 1939. Any opinion which is submitted direct to the Central Legislative Assembly Department or to any other Department of the Government of India or of the Provincial Government will not be accepted for consideration.

By order of the Governor,

E. B. H. BAKER,

Secy. to the Govt. of Bengal.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 21st September, 1939 :—

L. A. BILL No. 53 OF 1939.

A Bill further to amend the Workmen's Compensation Act, 1923, for a certain purpose.

WHEREAS it is expedient further to amend the Workmen's Compensation Act, 1923, for the purpose hereinafter appearing : VIII of 1923.

It is hereby enacted as follows :—

Short title and commence-
ment.

1. (1) This Act may be called the Workmen's Compensation (Second Amendment) Act, 1939.

(2) It shall be deemed to have come into force on the 3rd day of September, 1939.

Amendment of
section 15 of
Act VIII of
1923.

2. In section 15 of the Workmen's Compensation Act, 1923, after clause (4) the following clause shall be inserted, VIII of 1923.
namely :—

“(5) No compensation shall be payable under this Act in respect of any personal injury for which a payment could be obtained under any scheme made under the Personal Injuries (Emergency Provisions) Act, 1939 : 2 & 3 Geo. 6, c. 82.

Provided that the failure to give a notice or make a claim or commence proceedings within the time required by this Act shall not be a bar to the maintenance of proceedings under this Act in respect of any personal injury, if—

- (a) an application for a payment under any such scheme has been duly made in respect of the injury ; and
- (b) the Commissioner is satisfied that the said application was made in the reasonable belief that the injury was such that a payment could be made under the said scheme ; and
- (c) the Provincial Government certifies that the application was rejected, or that payments made in pursuance of the said application were discontinued, on the ground that the injury was not such an injury ; and
- (d) the proceedings under this Act are commenced within one month from the date of the said certificate of the Provincial Government.”

STATEMENT OF OBJECTS AND REASONS.

Under the Personal Injuries (Emergency Provisions) Act, 1939, amongst other people, seamen who sustain injuries in certain circumstances are entitled to compensation from the State. Under the Workmen's Compensation Act, 1923 (VIII of 1923), seamen sustaining similar injuries will in certain circumstances be entitled to claim compensation from their employers. To prevent the possibility of this double claim for the same injuries it is proposed to amend the Workmen's Compensation Act, 1923, taking away from seamen any right to claim compensation under that Act in cases where they are entitled to compensation under the Personal Injuries (Emergency Provisions) Act, 1939. A similar provision is contained in the latter Act as regards persons to whom Workmen's Compensation Acts of the United Kingdom apply. Provision is also made in the amending Bill saving limitations under the 1923 Act in cases where a *bona fide* claim under the 1939 Act is made and rejected.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 6th October 1939.

Second Forecast of the Cotton Crops of Bengal, 1939-40.

(Note.—On an average of the five years ending 1937-38, the area under cotton in the territories in Bengal to which this forecast relates has represented some 0.2 per cent. and that in the Bengal States some 0.1 per cent. of the total area under cotton in India.)

There are two crops—early and late. The “early” crop is chiefly grown in the Chittagong Hill Tracts, Mymensingh and in the

Tripura State and also to a small extent in other districts. The “late” crop is grown in Bankura and Midnapore. As the late crop has not yet been sown, this forecast deals only with the early crop.

Character of the season.—Since the issue of the first forecast in August last, the weather has been generally fair for the growth of the crop. The present outlook is reported to be fairly satisfactory.

Area sown.—The area sown is reported to be 84,370 acres this year as against 87,379 acres in the corresponding forecast of last year.

Director of Agriculture, Bengal.

The Finance Committee, in auditing the monthly accounts, shall examine the registers and accounts with a view to seeing that they are posted up to date, that they are maintained in the correct form, and that all the necessary columns have been filled in. They shall also see that all signatures or initials which each form requires have been given and dated. They shall verify the correctness of the cash book by comparing it with the treasury chalans and pass book and with vouchers and counterfoils of cheques. The President's permanent advance account shall also be checked.

10. The Accounts of the Board shall be examined and audited by the Examiner of Local Accounts, Bengal, at least once in every year.

When the amount of the loss exceeds Rs. 500, or when the loss is due to any defect in the system of accounts or collection or to any other similar causes, the sanction of the Provincial Government shall be necessary.

CHAPTER III.

BUDGET.

13. The Collector of the district shall, on or before the 15th August in each year, prepare and transmit to the Board an estimate of the receipts from the cess and tax for primary education during the financial year next ensuing.

14. As soon as the Collector has reason to believe that the receipts from cess and tax are likely to fall materially short of the original estimate supplied to the Board under Rule 13, he shall transmit to the Board a revised estimate of the receipts in order that the Board may revise its budget estimates accordingly.

15. A budget showing the probable income and expenditure of the Board during the ensuing financial year shall be prepared by the Board in Form I and submitted on or before the thirtieth day of November to the Director of Public Instruction, who will submit it in turn to the Provincial Government for approval within a month from the date of its receipt.

NOTE.—If the budget be returned to the Board for such modifications as the Provincial Government may think necessary, it shall be re-submitted with the necessary modifications by the Board within one month from the date of its receipt to the Provincial Government for final approval.

16. The budget shall set forth estimated receipts and expenditure under minor and detailed heads of account and the opening and closing balances.

17. The budget shall be accompanied—

(a) by a schedule in Form 2 showing full details of the estimated receipts and expenditure under each minor and detailed head;

(b) by explanatory notes showing, wherever necessary, how the figures have been arrived at and specially explaining any new and important item of receipt and expenditure.

18. In preparing the budget what is expected to be paid (under proper sanction) during the year shall be provided for, not the liability likely to be incurred or falling due within the year.

19. The Board may at any time transfer grants from one detailed head to another detailed head subordinate to the same minor head.

20. Transfers from one minor head to another shall not be made without the previous sanction of the Director of Public Instruction.

21. If at any time during the year the Board has reason to believe that the budget under any head is likely to be exceeded and that the excess cannot be met by a reduction under some other head, a supplementary budget shall be prepared with the least possible delay and submitted to the Director of Public Instruction for submission to the Provincial Government for approval.

CHAPTER IV.

SUBSCRIPTIONS AND DONATIONS.

22. Subscriptions and donations for special purposes shall be recorded in Form No. 4. These subscriptions shall not be appropriated for any other purpose.

EXPENDITURE.

23. No expenditure shall be incurred for which provision has not been made in the budget estimate for the year or in a supplementary estimate or by reappropriation, and which has not been duly sanctioned by the competent authority.

ESTABLISHMENT.

24. The salary bill of the establishment of the Board shall be drawn in Form No. 5 and the certificate at the foot of the form shall be signed by the President. When a salary is drawn for a portion of a month only, the rate at which it is drawn and the number of days for which it is claimed shall be stated either against the name of the employee in the body of the bill or in a note at the foot of the page.

25. When an employee is absent from duty and acting arrangements are made in consequence of his absence, the absentee statement (Form No. 6) on the reverse of the bill shall be filled in and signed by the President, or by such person as the President directs.

26. Pay not distributed shall be refunded by short drawal in the next monthly bill.

27. To the first bill in which a periodical increment is drawn by any officer, a certificate to that effect in Form No. 7 shall be appended.

28. The pay of all temporary employees who are entertained under proper sanction shall be billed for separately in the same form, the sanction being quoted.

29. The last payment of an employee's salary shall never be made until it has been ascertained that there are no outstanding demands against him. A certificate to that effect signed by the President or by such person as the President directs shall be attached to each such bill.

30. The net amount payable to the payees shall be drawn in one cheque. For the amount of the Provident Fund deductions and contributions a separate voucher shall be drawn up, showing merely the total deductions and contributions on account of each salary bill, the total amount being drawn in one cheque. The amount of this voucher shall be paid by cheque to the Post Office Savings Bank. These remittances to the Savings Bank should, as far as possible, be made between the 1st and 4th of each month in order that interest may accrue for the month of deposit.

ARREAR BILLS.

31. Arrear pay shall not be drawn in the ordinary monthly bill, but in a separate bill, with a quotation of the bill from which the charge was omitted or withheld or on which it was refunded by deduction, or of any order granting a new allowance. Such bills may be presented at any time but shall be supported by a certificate from the competent authority that the amount was not paid before.

When the bills are paid, the number and date of the voucher shall be noted on the original bill from which the charge was omitted or withheld or in which it was refunded, against the item concerned in order to prevent a second claim from being entertained.

32. Every employee of the Board shall give a receipt with date in the appropriate column of the form in which the salary bill of the establishment of the Board is drawn (Form No. 5) for the sum paid to him and shall in the case of sums exceeding Rs. 20, affix a receipt stamp before signing. The cost of the receipt stamp must be borne by the person who receives the money and not by the Board. Employees unable to write shall make their marks and shall be paid in the presence of the President or the Vice-President or of such person as the President may authorise in writing in this behalf, who shall record a certificate to that effect under the mark made by the employee.

33. The drawer of the bill is personally responsible for every salary drawn on a bill signed by him until he has paid it to the persons entitled to receive it and has had the appropriate column in the form of the salary bill signed and, if necessary, stamped by the payee. If the payee does not present himself before the end of the month, the amount drawn for him shall be refunded by short drawal in the next bill. Pay shall not in any circumstances be placed in deposit.

34. The drawer of the bill shall not readjust the salaries of the establishment by giving one officer more and another less than the sanctioned pay of his post, nor shall he distribute the pay of an absentee otherwise than as provided by any general or special orders of the Board.

CHAPTER V.

CONTINGENT EXPENDITURE.

35. Contingent expenditure includes all charges other than those for establishment, travelling allowance and expenditure on construction of and repairs to primary school buildings.

PERMANENT ADVANCE.

36. To meet petty expenses, a sum of Rs. 30 may be allowed as a permanent advance, which may be raised temporarily or permanently by the Board, if necessary up to a maximum of Rs. 50.

37. Payments of not more than Rs. 20 shall be made in cash from the permanent advance, provided that no payment on account of the salary of any employee of the Board shall be made from the permanent advance.

38. The imprest-holder shall make payments from his permanent advance from time to time as may be required and for each payment he shall obtain and hold a bill receipted by the payee or in the case of petty expenses, a written detailed statement of the sums spent.

39. These bills or statements shall be numbered consecutively, enfaced or stamped "paid in cash" and entered in the register (Form No. 8); the classification of the charge shall be carefully entered in the columns provided for the purpose.

40. The permanent advance may be recouped whenever necessary, and it shall always be recouped on the last working day of the month. All recoupments of the permanent advance shall be drawn on a bill in Form No. 9.

41. The procedure of recoupment shall be as follows:—

The imprest-holder shall compare the sub-vouchers with the entries in the permanent advance account; he shall deface them by stamping them "cancelled" so that they cannot be used again. He shall total and initial the column "Amount of sub-voucher" in the permanent advance account, and also the amounts in the classification columns, the cross total of which shall agree with the total of the column "amount of sub-voucher" and shall rule a red ink line across the page, immediately above which in the last two columns the number, date and amount of the voucher for recoupment shall be shown.

42. The bill for recoupment shall then be drawn out for payment. After the bill is defaced with the usual payment order in the form prescribed in Rule 78, a cheque shall be drawn in favour of the President or other officer holding the advance.

RECURRING AND UNUSUAL CONTINGENT CHARGES.

43. Sanction of the Board shall be obtained for the purchase of books, periodicals, newspapers, official publications, for unusual contingent charges such as the purchase of typewriters and furniture and for all recurring contingent charges which bind the Board beyond a single payment.

STAMPS AND POSTAGE.

44. (1) In order to enable a check to be kept upon the number of stamps expended upon the business of the Board, a stamp register shall be maintained in Form No. 10.

(2) This register shall also serve as the despatch register.

45. The balance of stamps in hand shall be verified once a month by the Secretary to the Board or by such other person as may be authorised in this behalf by the President and the Secretary or such other person shall make a note to that effect in the remarks column under his signature.

46. For all forms purchased by the Board a stock book shall be maintained in Form 11, a separate page being used for each kind of form. The Head Clerk shall be responsible for the correct maintenance of the stock book.

STATIONERY ACCOUNT.

47. The stationery account shall be maintained in Form No. 12. The purchases shall be made annually on indents duly sanctioned by the President and showing the stock in hand at the time, the actual consumption of the previous year and the quantity required.

The issues shall be acknowledged in the register under the initials of the officer supplied. The balances shall be struck at the end of the year and verified with the actual stock by the Secretary to the Board or such other person as may be authorised in this behalf by the President, and the Secretary or such other person shall record a certificate to this effect on the register.

48. Members (other than *ex-officio* members who are servants of the Crown) and officers and menial servants of the Board are entitled to travelling allowance for expenses incurred by them in attending meetings of the Board or in performing any duty assigned to them by the Board for the purposes of the Act at the rates prescribed in rules made under clause (k) of sub-section (2) of section 66 of the Act and for the time being in force and bills for payment of such travelling allowance shall be prepared in the forms prescribed and in the manner laid down in the said rules.

CHAPTER VI.

WORKS.

49. Works relating to the construction and repair of buildings other than pucca or semi-pucca buildings of a primary school shall be entrusted to the teachers or managing committees of the primary schools concerned. In the case of pucca or semi-pucca buildings, the work shall be done by the engineering staff of the Board, if any, or through the agency of the District Board or Communication and Works Department.

50. Estimates for the construction of primary school buildings shall be prepared by the Board in conformity with one of the standard types approved by the Executive Engineer. In special cases, when any variation is considered necessary the estimate shall be submitted to the Executive Engineer for approval before it is finally sanctioned by the Board.

Estimates for the repairs to pucca or semi-pucca buildings shall be obtained from the agency through which the work is proposed to be carried out.

Estimates for the repairs to buildings other than pucca or semi-pucca buildings shall be prepared by the teachers or managing committees of the primary schools concerned and shall be submitted to the Board through the District Inspector of Schools.

51. No work shall be commenced unless and until a detailed estimate for the same has been duly approved and appropriation sanctioned by the Board. For emergent repairs, the President may however sanction a departure from this rule, but he shall report the matter to the Board at its next meeting.

52. In the case of works undertaken by the teachers or managing committees of primary schools, an advance of 25 per cent. of the sanctioned estimate may be made. In the case of works done through the agency of the District Board or the Communication and Works Department, advances shall be made from time to time as may be required for the execution of works. In all cases, the advances shall be adjusted only on receipt of the completion certificate of the works concerned.

53. The completion certificates in respect of all works done by the teachers or managing committees of primary schools shall be furnished by the District Inspector of Schools or any subordinate officer deputed by him. The quantity and value of work done in respect of each item of work shown in the estimates as well as new items of work done, if any, shall be shown in the completion certificate. No payments without such completion certificates shall be made beyond the 25 per cent. referred to in Rule 52. In the case of works done by the

engineering staff of the Board or through the agency of the District Board or Communication and Works Department, a completion report shall be furnished by the District or Executive Engineer, as the case may be. Every such completion report shall be countersigned by the District Inspector of Schools and shall on such countersignature be deemed to be the completion certificate in respect of such works. In no case shall any excess over the sanctioned estimate or appropriation be paid without a fresh sanction of the Board and a fresh allotment of funds to cover the excess.

54. When a final payment is made, a record thereof shall be kept on the estimate concerned.

CHAPTER VII.

ADVANCES.

55. All moneys advanced to officers or employees of the Board or other persons (whether on account of the permanent advance or otherwise), shall, in the first instance, be charged to the head "Advances" in the abstract register of expenditure and entered in the Advance Ledger (Form No. 13). A separate account shall be opened in this ledger for each person to whom an advance has been given, and this account shall be credited with the amount of repayments made, and of adjustments made in the manner prescribed in Rule 107. The account shall be balanced quarterly and signed by the President.

56. Advances for works to be carried out departmentally shall not be for the full sanctioned cost of the work, but shall be restricted to the amount actually necessary to meet immediate payments; and as this amount is exhausted, it may be recouped by submitting detailed bills for the expenditure incurred.

57. In the case of advances made for the execution of works, the account shall be credited with the actual value of work done upon receipt of completion certificates, detailed bills and proper vouchers for the expenditure incurred out of the advance. These adjustments shall be carried through the adjustment register (Form No. 14), in the manner prescribed in Rule 107. Before the order for adjustment is made, the bills and vouchers put forward in support of the expenditure shall be passed by the President in the same manner as other bills are passed. The passing order shall run thus:—

"Passed for rupees.....Adjust Rs.....by credit to advance account of....., and debit to....."

NOTE.—In the case of works done through the agency of the District Board or Communication and Works Department, detailed bills and vouchers are not necessary. In such cases, an adjustment voucher should be prepared, supported by the completion certificates, and orders of the President obtained.

DEPOSITS.

58. All sums of money received by way of security deposit from contractors or others shall be credited to the head "Deposits received" in the abstract register of receipts (Form No. 15) and shall be entered on the credit or receipt side of the deposit ledger (Form No. 16). A separate account shall be opened in this ledger for each person by whom a deposit is made and the accounts shall be balanced quarterly and signed by the President.

59. Each separate account in the ledgers of advances and deposits shall be specially reviewed by the President not less than once a quarter, who shall satisfy himself that steps are being taken to recover or adjust advances which have been outstanding for more than three months.

60. When a deposit is outstanding for more than three years from the date when the work was finished and the depositor does not come to take the refund notwithstanding the service of a notice on him, or when the whereabouts of the depositor are not known, the deposit shall be adjusted as a miscellaneous receipt, repayable on a subsequent claim, with the previous sanction of the Director of Public Instruction.

LOANS.

61. The transactions in regard to any loan contracted by the Board shall be recorded in Form No. 17.

APPROPRIATION REGISTER OF LOANS AND SPECIAL GRANTS AND CONTRIBUTION.

62. In order to check the appropriation of funds raised by loan or special grants by Government or contributions intended for special purposes by individuals or local bodies, an appropriation register shall be kept in Form No. 19. The expenditure shall be posted monthly from the register of works. Without the sanction of the Provincial Government previously obtained no portion of such funds shall be appropriated even temporarily to any object other than that for which it was intended.

CHAPTER VIII.

CUSTODY OF DISTRICT PRIMARY EDUCATION FUND MONEY.

63. The District Primary Education Fund shall be lodged with the Collector of the district who shall keep a separate account thereof. Donations which private persons give to the Board for objects of legitimate expenditure on condition that they are to be placed in fixed deposit in a bank or invested in securities may be so placed in deposit or invested by the Board.

PAYMENT INTO THE TREASURY.

64. All sums due by any person to the Board and moneys collected by authorised servants of the Board shall be sent direct to the Government treasury at the headquarters of the district (hereinafter referred to in these rules as "the treasury") to be credited to the District Primary Education Fund.

65. If in any case money is tendered at the office of the Board, the person tendering it shall be directed to take it to the treasury where it will be received and credited to the District Primary Education Fund.

66. (1) All moneys paid into the treasury otherwise than by money order to the credit of the District Primary Education Fund, whether by servants of the Board or others, shall be accompanied by a chalan in Form No. 20.

(2) This chalan shall be in triplicate, having the words "Original," "Duplicate" and "Triplicate" written in red on the first, second and third parts, respectively.

The first part shall be retained by the Treasury Office, the second part shall be returned on the same day to the office of the Board, and the third part shall be delivered to the persons paying the money.

GRANTS FROM PROVINCIAL REVENUES.

67. When a grant is made to the District Primary Education Fund from Provincial Revenues, the Accountant-General shall instruct the Treasury Officer concerned to credit the amount to the District Primary Education Fund and send the President a copy of the letter. Recurring grants are payable to the District Primary Education Fund at the beginning of each year. The credit shall be made by book transfer; no bill shall be drawn and no money shall be paid out of the treasury.

PASS BOOK.

68. All moneys remitted to the treasury to the credit of the District Primary Education Fund and all payments made by the treasury on cheques or otherwise on account of the District Primary Education Fund shall be entered in a pass book; the pass book shall remain in the custody of the President, and it shall be sent to the treasury on the tenth and also on the last working day of every month and on any other day on which the Board may require the posting to be done. On receipt of the pass book by the treasury officials, the receipts and payments up to date and credits referred to in Rule 67 shall be entered therein, and when the book is received on the last working day of the month, the account shall be balanced and signed by the Treasury Officer, the amount being entered in words as well in figures. The book shall be returned to the office of the Board as soon as the entries prescribed in this rule have been made in it, *i.e.*, on the day of receipt or the next open day at the latest.

69. The pass book will be supplied by the treasury. It is not a District Primary Education Fund Account Book, but is simply a copy of the account kept in the treasury of the money paid to the credit of, and disbursed on account of, the District Primary Education Fund, and must, therefore, always be written up only by the Government Treasury Department by whom the original account is kept.

70. No entries or marks shall, under any circumstances, be made in the pass book by any one connected with the office of the Board.

71. The President shall examine this pass book from time to time, and shall immediately call the attention of the Treasury Officer to any discrepancy that may appear between the credits and debits shown in the pass book and those shown in the accounts of the Board.

72. At the close of the year, a statement of balance of the previous year as shown in the accounts of the Board and in the treasury pass book together with an explanation for the difference shall be submitted by the Board to the Treasury Officer to enable the latter to forward the same after necessary check to the office of the Accountant-General.

73. The balance at the credit of the District Primary Education Fund shall not be allowed to be overdrawn without the special sanction of the Provincial Government.

TRANSACTIONS WITH THE POST OFFICE.

74. When money is remitted to a District Primary Education Fund by means of post office money orders or when the amounts of money orders issued on the requisition of a Board are returned unpaid, they will, in accordance with the post office rules on the subject, be sent by the post office direct to the Treasury Officer concerned for adjustment of the amount by book transfer to the credit of the District Primary Education Fund. An advice list with coupons and acknowledgments attached will be sent on the same day by the Treasury Officer to the office of the Board in token of the adjustment having been made.

MONEY ORDERS.

75. When writing out money orders in payment of a bill, the number of the cheque and the serial number of the items in the bill shall be written on the acknowledgment portion. When received back, the acknowledgment shall be carefully filed in serial order with the voucher. Wanting acknowledgments shall be called for after a month from the Postal Department.

76. (1) A register in Form No. 21 shall be opened for money orders which the Postal Department refunds to the Board owing to the payee not being found.

(2) The register will serve the double purpose of providing a means of watching that these refunds are brought to credit, and in case of the payee afterwards making application for the money, of ascertaining whether the sum is due from the District Primary Education Fund or from the Postal Department.

PAYMENT OF CLAIMS.

77. A Board shall pay promptly every claim against its fund that is clearly due. No money shall be drawn before it is actually required for payment; and no undue delay shall occur in the disposal of money drawn.

78. (1) Every bill or other claim for payment from the District Primary Education Fund shall be checked and examined by the Head Clerk of the Board's office who, after ascertaining if it is correct and in order, shall submit it for orders to the President. If payment of the bill so presented is to be made, an order for the payment shall be endorsed upon it. The order for payment shall be as follows:—

“Pay Rupees.

only (Rs.....)” the amount being written in words as well as in figures, and shall be signed by the President.

(2) The Head Clerk shall also note on it the classification of the charges according to the heads laid down in the budget or in such greater detail as may be necessary for entry in the cash book after payment.

79. All payments exceeding Rs. 20 shall be made by cheque, unless there are special circumstances rendering payment in cash desirable; provided that all payment on account of salaries of the employees of the Board exceeding Rs. 10 shall be made by cheque.

80. (1) If the bill is to be paid out of the imprest, the President or such person as he authorises in writing in this behalf shall sign the pay order on the bill and make it over to the Head Clerk for payment. The Head Clerk shall, after payment, stamp the voucher with the words "paid in cash" in conspicuous type. This shall be attached as a sub-voucher to the next contingent bill. If the bill is to be paid by cheque, it shall be made over to the Head Clerk. The cheque shall be written out by the Head Clerk and the bill stamped "Paid by cheque. No....., dated.....," in conspicuous type. Both the bill and the cheque shall then be placed before the President or the person authorised by the President in writing in this behalf, who shall sign the cheque and initial (with date) the "paid" endorsement on the bill in token of having signed the cheque for the bill.

(2) The amount of the cheque shall be entered in the cash book as soon as the cheque is signed.

81. Every payment from the District Primary Education Fund shall be supported by a voucher in a proper form duly signed and receipted by the payee himself or his authorised agent and stamped if necessary. A receipt signed by another person for the creditor will be invalid.

82. (1) Payments to illiterate persons shall be attested by a competent witness in addition to the paying officer.

(2) When the payee signs in vernacular, the amount acknowledged shall be noted by him in the same vernacular.

FILING OF VOUCHERS.

83. (1) Bills which have been paid by cheque shall be divided into the following classes, viz., (1) salary and establishment bills, and (2) other bills. Each class of bills shall be pasted in a separate guard file and shall be consecutively numbered in order of payment:

Provided that sub-vouchers which have been paid in cash out of the permanent advance shall be separately filed, together with the recoupment voucher covering them.

(2) The following memorandum instead of this voucher shall be pasted into the guard book for bills other than salary and establishment bills.

Memorandum.

Voucher No....., dated..... for Rs..... in recoupment of the permanent advance will be found in the separate file.

CASH BOOK.

84. The District Primary Education Fund cash book shall be kept in Form No. 22.

The receipt entries in this book shall be made day by day as follows:—

- (1) In the case of money remitted to the treasury (otherwise than by money orders) for credit to the District Primary Education Fund under Rule 64, from the duplicate chalang mentioned in Rule 66.
- (2) In the case of money orders, from the coupons attached to the advice list received from the Treasury Officer (*vide* Rule 74).
- (3) In the case of book adjustments specified in Rule 67 from the copies of the Accountant-General's letter received under that rule.

Expenditure shall be entered from the details of vouchers day by day as cheques are signed.

CLOSING OF THE CASH BOOK.

85. The cash book shall be closed and balanced on the last working day of each month and shall be signed by the President after comparison with the pass book. In the event of any cheque issued during a month remaining uncashed by the treasury at the close of the month, there will necessarily be a difference between the balance brought out in the cash book and that of the treasury pass book. This difference shall be explained by a note in the last page of cash book for the month in the following manner:—

	Rs. s. p.	Rs. s. p.
Balance as per cash book	500 10 6
Add cheques uncashed—		
No. 3, dated the 10th April 1931	30 0 0	..
No. 7, dated the 25th April 1931	40 0 0	70 0 0
Total	..	570 10 6
Balance as per pass book	570 10 6

CHEQUES.

86. Cheques drawn on a treasury shall be in Form No. 23.

87. The President or the person authorised by the President in writing to sign the cheques under sub-section (2) of section 39 of the Act shall be the custodian of the cheque book and all cheques shall be issued under the signature of the President or such person.

88. Cheque books containing 100 cheques each will be provided by the officer in charge of the treasury. Each book shall bear a number which shall be repeated upon each cheque contained in it, together with the consecutive number of each cheque form and the President, or the person authorised by the President in writing to sign cheques, shall notify to the treasury the number of the cheque books which he from time to time brings into use. The book shall be in the personal custody of the President or such authorised person who, when relieved,

shall take a receipt for the correct number of cheques made over to the relieving officer, a specimen of whose signature shall at the same time be forwarded to the treasury.

89. On receipt of a cheque book from the treasury, the President, or the person authorised by the President in writing to sign the cheques, as the case may be, shall count the cheques and shall record on the back of the cheque book that "this book contains.....forms."

90. The President or such authorised person shall satisfy himself periodically that all unused cheques are in the book and that none have been surreptitiously extracted.

91. No cheque shall be signed unless required for immediate delivery to the person to whom the money is to be paid, nor until the bill which it will discharge has been presented in a complete form, examined and passed for payment. The practice of retaining signed cheques in the office shall not be permitted.

92. Every cheque shall be drawn in English in favour of the person to whom the money is actually due. Payment shall not be made to any other person except on production of a written authority from the creditor to receive it on his behalf:

Provided that this rule shall not apply to—

- (a) cheques issued for a sum of money distributed as pay or wages among a number of employees of the Board;
- (b) cheques for recoupment of permanent advance;
- (c) cheques for payments of money by remittance transfer receipts (Article 143A, Civil Account Code, Volume I);
- (d) cheques for payment of money in places where there are treasuries but under the rules remittance transfer receipts are not permissible (pay, allowance, etc.) and where there are no treasuries. In such cases, the money shall be remitted by money orders and the cheques shall be drawn in the name of the post master;
- (e) cheques for payment of money to Government. If the money is accounted for a special department of Government, such as the Income Tax, the Land Acquisition Department, etc., the cheques shall be drawn in favour of the officer in charge of the department concerned. But in other cases the cheque shall be drawn in the name of the treasury officer and forwarded to him for credit to Government.

93. The amount of every cheque shall be written in words as well as in figures, both on the cheque itself and on the counterfoil and the counterfoil shall be initialled by the person signing the cheque. The word "only" shall always be inserted after the amount written in words in the body of the cheque.

CANCELLATION OF CHEQUES.

94. When a signed cheque is cancelled, it shall be enfaced or stamped "cancelled" by the President and shall be destroyed as soon as the accounts for the month in which the cheque was drawn have been audited by the Finance Committee.

95. The fact of cancellation shall be noted in red ink under the initials of the President upon the counterfoil and also across the orders enforced upon the voucher.

96. A cheque remaining unpaid from any cause for twelve months from the date of its issue shall, however, be cancelled and the amount shall be written back.

CHEQUES LAPSED OR LOST.

97. Cheques are current for three months only. After the expiration of that period, payment shall be refused at the treasury and the person in whose favour the cheque was drawn will, therefore, have to bring it back to be redated. No fresh cheque should be issued: the lapsed cheque should simply be redated and the alteration initialled by the President or the person authorised by the President in writing to sign the cheques, as the case may be. A note of the fact of redating shall be entered in the cash book against the original transaction. The alteration will in no way affect the accounts and no further entries shall be made.

98. When a cheque is reported as lost during the period of its currency, the President shall forward to the Treasury Officer concerned a certificate in the following form for signature:—

Certified that cheque No....., dated, for Rs....., reported by the disbursing officer to have been drawn by him on this treasury in favour of.....has not been paid and will not be paid if presented hereafter.

Treasury,

The.....19...

Treasury Officer.

99. On receipt from the Treasury Officer of the certificate signed by him, the President shall draw a new cheque in lieu of it; the fact of the loss and the number and date of the new cheque shall be recorded on the counterfoil of the old cheque, and the number and date of the old cheque that is lost shall be recorded on the counterfoil of the new one. The fact of the new cheque having been issued shall be entered on the date of issue in red ink parenthetically in the cash book but not in the column for payment. A note shall also be made against the original entry in the cash book.

CORRECTION OF THE CASH BOOK AND ABSTRACT REGISTER WHEN CHEQUES ARE CANCELLED.

100. If the cheque is cancelled in the month of issue before the cash book is closed and before the abstract register has been posted, all that is necessary is to strike out the entry in red ink under the initials of the President. If, however, the abstract register has been posted and the correction is made in the same year, the cheque shall be removed from the list of outstanding cheques and the amount credited in the cash book as a miscellaneous receipt, "deduct" entries at the same time being made in the adjustment register under that head and the head of expenditure to which it was originally charged.

101. If in any case a cheque is cancelled after the accounts of the year have been compiled and published, the cheque shall be removed from the list of outstanding cheques and the amount shall only be entered in the cash book as miscellaneous receipt and an adjustment made in the accounts.

ABSTRACT REGISTER OF RECEIPTS AND EXPENDITURE.

102. All the entries on the receipt side of the cash book shall be posted item by item direct from the cash book into the abstract register of receipts [Form No. 15] and all the entries on the payment side of the cash book shall be similarly posted into the abstract register of expenditure [Form No. 15A].

103. The abstract register shall be posted as frequently as may be convenient, but in no case later than ten days after the close of the month to which the accounts relate.

104. The columns of the abstract registers shall be totalled every month and the totals of the cash transactions must necessarily be equal to, and shall be compared by the President with, the totals of receipts and payments in the cash book. He shall initial the abstract registers to show that they have been compared.

ADJUSTMENTS.

105. For the record of transactions other than cash, a register of adjustments shall be opened in Form No. 14.

106. The chief adjustments to be dealt with in the said register are:—

- (1) Rectifications of error in classification.
- (2) The adjustment of a bill against an advance.
- (3) The charge to a head of expenditure by credit to deposits of a sum due on a contractor's bill which sum is retained as security deposit.
- (4) Adjustments due to refund of income or recoveries of expenditure.

These transactions shall be entered item by item in the register of adjustments, the total being passed from this register into the abstract register of receipts and expenditure, but before the postings are made in the abstract register the net total of the receipt heads shall be agreed with the net total of the payment heads.

107. The methods of entry in the register of adjustments shall be as follows:—

- (a) In the case referred to in clause (1) of Rule 106 the adjustment shall be made by entering the amounts in the space for "add entries" in the column for the head to which the amount is to be added, and again in red ink in the space for "deduct entries" in the column for the head from which the amount is to be deducted. Both entries shall be made on the receipt side, if the amount is to be transferred from one head of receipt to another; and both shall be made on the expenditure side if the amount is to be transferred from one head of expenditure to another.

- (b) In the case referred to in clause (2) of the said rule, the adjustment shall be made by entering the amount in the space for "add entries" in the column of the expenditure side for the head to which charges on account of the particular expenditure incurred are to be taken and on the receipt side in the space for "add entries" under the head "advances recovered." A corresponding entry shall be made on the receipt or credit side of the advance ledger (Form No. 13) of the person by whom the expenditure was incurred and to whom the amount adjusted was originally advanced.
- (c) In the case referred to in clause (3) of the said rule, the adjustment shall be made by entering the amount on the expenditure side in the space for "add entries" in the column for the head to which the balance of the charges of the bill from which the deduction has been made has been taken, and on the receipt side in the space for "add entries" under "deposits received."
- (d) In the case referred to in clause (4) of the said rule, an adjustment shall ordinarily be made by deduction from similar receipts or payments of the current year, but a refund of expenditure exceeding Rs. 500 shall be finally credited as a receipt under the corresponding revenue head.

108. When income is refunded, the refund shall be charged in the cash book to the major head of expenditure corresponding to the major head of receipt to which it was originally credited, or if there is no such head, to "9—Miscellaneous." The amount shall then be deducted in the adjustment register from both the head of receipt to which it was originally credited and the head of expenditure to which the refund is charged.

109. When the expenditure is recovered, the amount shall be credited in the cash book to the major head of receipt corresponding to the major head to which the expenditure was originally charged, or if there is no such head, to "III—Miscellaneous." The amount shall then be deducted in the adjustment register from both the head of expenditure to which it was originally charged and the head of receipt to which the recovery is credited.

NOTE.—Adjustments affecting the Advance and Deposit heads shall be made even after the close of the year.

110. Adjustments made by deduction in the abstract registers shall always be written in red ink.

MONTHLY, QUARTERLY AND ANNUAL ACCOUNTS.

111. Registers of monthly and quarterly receipts and expenditure shall be kept in Forms Nos. 24 and 25 and shall be compiled from the abstract registers. The progress of expenditure is compared with allotment shall be shown in such detail as may be necessary, the particulars being obtained from the cash book.

112. In the first month of every quarter, a copy of the monthly and quarterly accounts showing only the budget estimate and quarterly figures for the previous quarter's receipts and expenditure shall be published by lodging a copy signed by the President in the office of the District Magistrate.

113. (1) An annual account in Form No. 26, showing the consolidated receipts and expenditure for the year shall be published in the same manner as the quarterly accounts not later than the second month of the next year.

(2) A copy of the annual account shall be despatched to the Director of Public Instruction.

OFFICE ORDER BOOK.

114. An office order book shall be kept by the Board in which all appointments, promotions, leave, suspensions, fines, office arrangements and orders generally shall be noted. The Secretary shall see that this order book is kept in a correct and complete manner.

ESTABLISHMENT CHECK REGISTER.

115. The whole establishment of the Board shall be recorded in the establishment check Register in Form No. 27, in which every appointment as made shall be entered. The entries in columns 1 to 6 of the register shall be made from the sanctions for each appointment. When any revision of the establishment is made, the details of the revision shall be noted in the register, the number and date of the resolution or order being quoted in column 1 thereof. Every entry in this register shall be initialled by the President, or such officer as may be authorised in writing by the President in this behalf.

116. Details of every establishment bill after it is checked by the Head Clerk shall be posted into the establishment check register. Pay shall be recorded under the month for which it is due, not under that in which it is disbursed.

TEMPORARY ESTABLISHMENT.

117. Temporary establishment shall be entered in the establishment check register (Form No. 27) at the end of the space allotted for the permanent establishment and shall not be mixed up with it. The period for which the temporary establishment is sanctioned shall be distinctly specified in the second column below the details of appointment sanctioned and lines shall be drawn across the columns of the months previous and subsequent to such period, so as to prevent admission by oversight of pay for a period in excess of sanction.

FIXED RECURRING CHARGES.

118. Other fixed recurring charges such as scholarships, grants-in-aid, rents and municipal taxes payable by the Board, shall be recorded and checked in the same manner as establishment charges. A separate register shall be maintained for scholarships and grants-in-aid while the establishment check register shall be utilised for the other charges.

REGISTER OF LANDS.

119. A proper record of all lands and sites of buildings in the possession of the Board shall be kept in a register of lands in Form No. 28.

120. If any plot of land shown in the register is sold or otherwise transferred from the possession of the Board, the entry for it shall be struck off, and the facts in connection with the transfer stated in the columns for remarks under the initials of the President or the Vice-President or an officer authorised in writing by the President in this behalf.

121. The President shall periodically but not less than once a year re-examine the register of lands and satisfy himself that the record is correct and complete. He shall take such steps as he may consider necessary to have the boundaries of lands verified.

REGISTER OF PROPERTIES.

122. A stock book of furniture and other movable properties belonging to the Board shall be maintained in the following form:—

Serial number.	Date of receipt.	Particulars of property— Name. No.	Number and date of payment of voucher.	Note of disposal.	Initials of the officer in charge.

123. All movable property of the Board at headquarters shall be verified annually by the President or Vice-President or such officer as may be authorised in writing by the President in this behalf. A separate list of all movable property in primary schools managed by the Board shall be maintained in the office of the Board and this shall be verified annually by the Sub-Inspectors of Schools.

DESTRUCTION OF RECORDS.

124. At the close of every year, the President shall consider what records of the Board's office may properly be destroyed. In giving sanction to the destruction of such records, he shall be guided by the general rules issued by the Provincial Government from time to time in this behalf.

(4) Any such order as aforesaid imposing or increasing a charge shall cease to have effect on the expiration of the period of twenty-eight days beginning with the day on which the order is made, unless at some time before the expiration of that period it has been approved by a resolution of the Commons House of Parliament, without prejudice, however, to the validity of anything previously done under the order or to the making of a new order.

In reckoning any period of twenty-eight days for the purposes of this subsection, no account shall be taken of any time during which Parliament is dissolved or prorogued, or during which the Commons House is adjourned for more than four days.

(5) Without prejudice to the preceding provisions of this section, any Defence Regulations may provide—

and all sums received by way of such fees or charges as aforesaid shall be paid into the Exchequer of the United Kingdom or, if the Treasury so direct, be paid into such public fund or account as they may determine.

Extra-territorial operation of Defence Regulations.

3.—(1) Unless the contrary intention appears therefrom, any provisions contained in, or having effect under, any Defence Regulation shall—

(a) in so far as they specifically impose prohibitions, restrictions or obligations in relation to ships, vessels or aircraft, or specifically authorise the doing of anything in relation to ships, vessels or aircraft, apply to all ships, vessels or aircraft in or over the United Kingdom and to all British ships or aircraft, not being Dominion ships or aircraft, wherever they may be; and

(b) in so far as they impose prohibitions, restrictions or obligations on persons, apply (subject to the preceding provisions of this subsection) to all persons in the United Kingdom and all persons on board any British

ship or aircraft, not being a Dominion ship or aircraft, and to all other persons being British subjects except persons in any of the following countries or territories, that is to say,—

- (i) a Dominion,
- (ii) India, Burma and Southern Rhodesia,
- (iii) any country or territory to which any provisions of this Act can be extended by Order in Council, and
- (iv) any other country or territory, being a country or territory under His Majesty's protection or suzerainty;

Provided that Defence Regulations may make provision whereby the owner, manager or charterer of any British ship or aircraft, being a person resident in the United Kingdom or a corporation incorporated under the law of any part of the United Kingdom, is subjected to restrictions in respect of the employment of persons in any foreign country or territory in connection with the management of the ship or aircraft.

(2) In this section the expression "Dominion ship or aircraft" means a British ship or aircraft registered in a Dominion, not being a ship or aircraft for the time being placed at the disposal of, or chartered by or on behalf of, His Majesty's Government in the United Kingdom; and, for the purposes of subsection (1) of this section, any ship or aircraft registered in India, Burma or Southern Rhodesia, not being a ship or aircraft for the time being placed at the disposal of, or chartered by or on behalf of, His Majesty's Government in the United Kingdom, shall be treated as if it were a Dominion ship or aircraft.

(3) Subsection (1) of this section shall apply in relation to British protected persons, as that subsection applies in relation to British subjects.

4.—(1) His Majesty may by Order in Council direct that the provisions of this Act other than this section shall extend, with such exceptions, adaptations and modifications, if any, as may be specified in the Order,—

- (e) (to the extent of His Majesty's jurisdiction therein) to any other country or territory being a foreign country or territory in which for the time being His Majesty has jurisdiction;

and, in particular, but without prejudice to the generality of the preceding provisions of this section, such an Order in Council may direct that any such authority as may be specified in the Order shall be substituted for His Majesty in Council as the authority empowered to make Defence Regulations for the country or territory in respect of which the Order is made.

(2) His Majesty may by Order in Council make, or authorise the making of, provision whereby persons offending against any Defence Regulations may be apprehended, tried and punished in the United Kingdom, or any of the countries or territories specified in the preceding subsection, whether section one of this Act extends to that country or territory or not.

5.—(1) If and so far as the provisions of any Act for purposes of defence passed by the Parliament of the Commonwealth of Australia or by the Parliament of the Dominion of New Zealand purport to have extra-territorial operation as respects—

Extra-territorial operation of defence legislation of certain Dominions, &c.

- (a) ships or aircraft registered in the said Commonwealth or Dominion, or

- (b) the employment of persons in relation to British ships or aircraft by owners, managers or charterers of such ships or aircraft who are persons resident in the said Commonwealth or Dominion or corporations incorporated under the law of the said Commonwealth or Dominion or any part thereof,

the said provisions shall be deemed to have such operation.

(2) No law made for purposes of defence by the Indian Legislature or the Federal Legislature of India or by the Legislature of Burma shall, on the ground that it would have extra-territorial operation, be deemed to be invalid in so far as it makes provision whereby any owner, manager, or charterer of a British ship or aircraft who is a person resident in India or Burma or a corporation incorporated under the law of India or Burma or any part thereof, is subjected to restrictions in respect of the employment of persons in relation to the ship or aircraft.

(3) If and so far as the provisions of any law for purposes of defence made by the Legislature of Southern Rhodesia purport to have extra-territorial operation as respects—

- (a) aircraft registered in Southern Rhodesia, or
(b) the employment of persons in relation to British aircraft by owners, managers or charterers of such aircraft who are persons resident in Southern Rhodesia or corporations incorporated under the law of Southern Rhodesia,

the said provisions shall be deemed to have such operation.

Hearing of
proceedings in
camera.

6.—(1) If, as respects any proceedings before a court (whether instituted before or after the commencement of this Act), the court is satisfied that it is expedient, in the interests of the public safety or the defence of the realm so to do, the court—

- (a) may give directions that, throughout, or during any part of, the proceedings, such persons or classes of persons as the court may determine shall be excluded;
(b) may give directions prohibiting or restricting the disclosure of information with respect to the proceedings.

The powers conferred by this subsection shall be in addition to, and not in derogation of, any other powers which a court may have to give such directions as aforesaid.

(2) If any person contravenes any directions given by a court under the preceding subsection, then, without prejudice to the law relating to contempt of court, he shall be liable, on summary conviction, to imprisonment for a term not exceeding three months or to a fine not exceeding one hundred pounds or to both such imprisonment and such fine, or, on conviction on indictment, to imprisonment for a term not exceeding two years or to a fine not exceeding five hundred pounds or to both such imprisonment and such fine.

7. Every document purporting to be an instrument made or issued by any Minister or other authority or person in pursuance of any provision contained in, or having effect under, Defence Regulations, and to be signed by or on behalf of the said Minister, authority or person, shall be received in evidence, and shall, until the contrary is proved, be deemed to be an instrument made or issued by that Minister, authority or person; and *prima facie*

evidence of any such instrument as aforesaid may, in any legal proceedings (including arbitrations), be given by the production of a document purporting to be certified to be a true copy of the instrument by, or on behalf of, the Minister or other authority or person having power to make or issue the instrument.

8.—(1) Every Order in Council containing Defence Regulations shall be laid before Parliament as soon as may be after it is made; but, notwithstanding anything in subsection (4) of section one of the Rules Publication Act, 1893, such an Order shall be deemed not to be a statutory rule to which that section applies.

Provisions
as to certain
Orders in
Council.

(2) If either House of Parliament, within the next twenty-eight days on which that House has sat after such an Order in Council as aforesaid is laid before it, resolves that the Order be annulled, the Order shall thereupon cease to have effect except as respects things previously done or omitted to be done, without prejudice, however, to the making of a new Order.

(3) Any power conferred by the preceding provisions of this Act to make an Order in Council shall be construed as including a power to vary or revoke the Order.

9. The powers conferred by or under this Act shall be in addition to, and not in derogation of, the powers exercisable by virtue of the prerogative of the Crown.

(3) For the avoidance of doubt it is hereby declared that any reference in this Act to Defence Regulations includes a reference to regulations made under any provision of this Act, as extended to any country or territory by an Order in Council under this Act, and that any reference in this Act to any country or territory includes a reference to the territorial waters, if any, adjacent to that country or territory.

11.—(1) Subject to the provisions of this section, this Act shall continue in force for the period of one year beginning with the date of the passing of this Act, and shall then expire:

Duration of Act.

Provided that, if at any time while this Act is in force, an address is presented to His Majesty by each House of Parliament praying that this Act should be continued in force for a further period of one year from the time at which it would otherwise expire, His Majesty may by Order in Council direct that this Act shall continue in force for that further period.

(2) Notwithstanding anything in the preceding subsection, if His Majesty by Order in Council declares that the emergency that was the occasion of the passing of this Act has come to an end, this Act shall expire at the end of the day on which the Order is expressed to come into operation.

(3) Where, during the period of the present emergency, a soldier is transferred as aforesaid, then, if the transfer is authorised both by the last preceding subsection and by section eighty-three of the Army Act, the soldier shall be deemed to have been so transferred in pursuance of that subsection and not in pursuance of that section.

(i) no such officer or man so appointed or enlisted shall be ordered to go out of, or be carried out of, the United Kingdom, unless he has signed an agreement accepting liability for service outside the United Kingdom; and

- (c) may, on enlistment, be appointed without his consent to such corps as the competent military authority may determine;

and any order or regulations providing as aforesaid may be made to apply to men of the territorial army enlisted during the present period of embodiment, notwithstanding that they were enlisted before the coming into operation of the order or regulations.

(4) At any time during the present period of embodiment any officer or man belonging to an embodied part of the territorial army may, by order of the competent military authority, be released from the obligations which he is under by reason of the embodiment of that part of the territorial army; and, so long as the order remains in force, he shall be in the position in which he would be if that part of the territorial army were not embodied.

Any such order may be revoked by the competent military authority.

(5) On revoking an order under the last preceding subsection, the competent military authority may, if the person with respect to whom the order was made is still an officer or man of the territorial army, give directions requiring him to attend at the place and time fixed by those directions; and, for the purposes of section twenty of the Territorial and Reserve Forces Act, 1907, (which provides for the punishment of a person failing to appear at the time and place appointed for assembling on embodiment) those directions shall have effect as if they were directions under section seventeen of that Act directing the embodiment of a part of the territorial army to which that person belonged.

(2) At any time during the the period of the present emergency an airman of the regular air force may, by order of the competent air force authority, be released from air force service; and, so long as the order remains in force, he shall be in the position in which he would be if no proclamation ordering the air force reserve to be called out on permanent service were in force, and he had, at the time of the making of the order, been duly transferred to that reserve.

(3) Any order under the last preceding subsection may be revoked by the competent air force authority; and on revoking such an order the said authority may, if the term of service of the person with respect to whom the order was made has not expired, give directions requiring him to re-enter upon air force service and to attend at the time and place fixed by those directions.

Any such order may be revoked by the competent air force authority.

(3) On revoking an order under the last preceding subsection, the competent air force authority may, if the person with respect to whom the order was made is still an officer or man of the auxiliary air force, give directions requiring him to attend at the place and time fixed by those directions; and for the purposes of section twenty of the Territorial and Reserve Forces Act, 1907, as applied to the auxiliary air force, those directions shall have effect as if they were directions under section seventeen of that Act, as so applied, directing the embodiment of a part of the auxiliary air force to which that person belonged.

(4) For the purposes of this section the expression "the present period of embodiment" means the period of embodiment of the auxiliary air force current at the date of the passing of this Act, or, if no such period is then current, the first period for which the auxiliary air force is embodied after that date.

Restriction on transfer of registry of ships.

2. Provided that the provisions of this section restricting transactions in respect of airframes, aero-engines and airscrews shall not avoid, or render a person punishable in respect of, any transaction relating to an aircraft to which this Act does not apply, by reason only that any airframe forming part of the aircraft, or any aero-engine or airscrew installed therein, is within a country or territory to which this Act extends.

(2) This section shall come into operation on such date as the Secretary of State may by order appoint.

CHAPTER 80.

An Act to impose penalties for trading with the enemy, to make provision as respects the property of enemies and enemy subjects, and for purposes connected with the matters aforesaid.

[5th September, 1939.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Trading with the Enemy and matters relating thereto.

1.—(1) Any person who trades with the enemy within the meaning of this Act shall be guilty of an offence of trading with the enemy, and shall be liable—

Penalties for trading with enemy.

- (a) on conviction on indictment, to penal servitude for a term not exceeding seven years or to a fine or to both such penal servitude and a fine, or
- (b) on summary conviction, to imprisonment for a term not exceeding twelve months or to a fine not exceeding five hundred pounds, or to both such imprisonment and such fine;

and the court may in any case order that any goods or money in respect of which the offence has been committed shall be forfeited.

(2) For the purposes of this Act a person shall be deemed to have traded with the enemy—

- (a) if he has had any commercial, financial or other intercourse or dealings with, or for the benefit of, an enemy, and, in particular, but without prejudice to the generality of the foregoing provision, if he has—
 - (i) supplied any goods to or for the benefit of an enemy, or obtained any goods from an enemy, or traded in, or carried, any goods consigned to or from an enemy or destined for or coming from enemy territory, or
 - (ii) paid or transmitted any money, negotiable instrument or security for money to or for the benefit of an enemy or to a place in enemy territory, or
 - (iii) performed any obligation to, or discharged any obligation of, an enemy, whether the obligation was undertaken before or after the commencement of this Act; or
- (b) if he has done anything which, under the following provisions of this Act, is to be treated as trading with the enemy:

Provided that a person shall not be deemed to have traded with the enemy by reason only that he has—

- (i) done anything under an authority given generally, or specially by, or by any person authorised in that behalf by, a Secretary of State, the Treasury or the Board of Trade, or
- (ii) received payment from an enemy of a sum of money due in respect of a transaction under which all obligations on the part of the person receiving payment had been performed before the commencement of the war by reason of which the person from whom the payment was received became an enemy.

(3) Any reference in this section to an enemy shall be construed as including a reference to a person acting on behalf of an enemy.

(4) A prosecution for an offence of trading with the enemy shall not be instituted in England or Northern Ireland except by, or with the consent of, the Director of Public Prosecutions or the Attorney General for Northern Ireland, as the case may be:

Provided that this subsection shall not prevent the arrest, or the issue or execution of a warrant for the arrest, of any person in respect of such an offence, or the remanding, in custody or on bail, of any person charged with such an offence, notwithstanding that the necessary consent to the institution of a prosecution for the offence has not been obtained.

Definition of enemy.

2.—(1) Subject to the provisions of this section, the expression “enemy” for the purposes of this Act means—

- (a) any State, or Sovereign of a State, at war with His Majesty,
- (b) any individual resident in enemy territory,
- (c) any body of persons (whether corporate or unincorporate) carrying on business in any place, if and so long as the body is controlled by a person who, under this section, is an enemy, or
- (d) any body of persons constituted or incorporated in, or under the laws of, a State at war with His Majesty;

but does not include any person by reason only that he is an enemy subject.

(2) The Board of Trade may by order direct that any person specified in the order shall, for the purposes of this Act, be deemed to be, while so specified, an enemy.

Inspection and supervision of businesses.

3.—(1) The Board of Trade, if they think it expedient for securing compliance with section one of this Act so to do, may by written order authorise a specified person (hereafter in this section referred to as “an inspector”) to inspect any books or documents belonging to, or under the control of, a person named in the order, and to require that person and any other person to give such information in his possession with respect to any business carried on by the named person as the inspector may demand, and for the purposes aforesaid to enter on any premises used for the purposes of that business.

(2) If, on a report made by an inspector as respects any business, it appears to the Board of Trade that it is expedient, for securing compliance with section one of this Act, that the business should be subject to supervision, the Board may appoint a person (hereafter in this section referred to as “a supervisor”) to supervise the business, with such powers as the Board may determine.

(3) If any person, without reasonable cause, fails to produce for inspection, or furnish, to an inspector or a supervisor any document or information which he is duly requested by the inspector or supervisor so to produce or furnish, that person shall be liable, on summary conviction, to a fine not exceeding fifty pounds or to imprisonment for a term not exceeding six months or to both such fine and such imprisonment.

(4) If any person, with intent to evade the provisions of this section, destroys, mutilates or defaces any book or other document which an inspector or a supervisor is or may be authorised under this section to inspect, that person shall be liable—

- (a) on conviction on indictment, to penal servitude for a term not exceeding five years or to a fine or to both such penal servitude and a fine, or
- (b) on summary conviction, to imprisonment for a term not exceeding twelve months or to a fine not exceeding one hundred pounds or to both such imprisonment and such fine.

4.—(1) No assignment of a chose in action made by or on behalf of an enemy shall, except with the sanction of the Treasury, be effective so as to confer on any person any rights or remedies in respect of the chose in action; and neither a transfer of a negotiable instrument by or on behalf of an enemy, nor any subsequent transfer thereof, shall, except with the sanction of the Treasury, be effective so as to confer any rights or remedies against any party to the instrument.

Transfer of negotiable instruments and choses in action by enemies.

(2) The preceding subsection shall apply in relation to any transfer of any coupon or other security transferable by delivery, not being a negotiable instrument, as it applies in relation to any assignment of a chose in action.

(3) If any person by payment or otherwise purports to discharge any liability from which he is relieved by this section, knowing the facts by virtue of which he is so relieved, he shall be deemed to have thereby traded with the enemy:

Provided that in any proceedings for an offence of trading with the enemy which are taken by virtue of this subsection it shall be a defence for the defendant to prove that at the time when he purported to discharge the liability in question he had reasonable grounds for believing that the liability was enforceable against him by order of a competent court, not being either a court having jurisdiction in the United Kingdom or a court of a State at war with His Majesty, and would be enforced against him by such an order.

(4) Where a claim in respect of a negotiable instrument or chose in action is made against any person who has reasonable cause to believe that, if he satisfied the claim, he would be thereby committing an offence of trading with the enemy, that person may pay into the High Court or Court of Session any sum which, but for the provisions of subsection (1) of this section, would be due in respect of the claim, and thereupon that sum shall, subject to rules of court, be dealt with according to any order of the court, and the payment shall for all purposes be a good discharge to that person.

(5) Nothing in this section shall apply to securities to which the next following section applies.

5.—(1) If—

- (a) any securities to which this section applies are transferred by or on behalf of an enemy, or
- (b) any such securities, being securities issued by a company within the meaning of the Companies Act, 1929, or any corresponding enactment in force in Northern Ireland, are allotted or transferred to, or for the benefit of, an enemy subject without the consent of the Board of Trade;

Transfer and allotment of securities.

19 & 20
Geo. 5. c. 23.

then, except with the sanction of the Board of Trade, the transferee or allottee shall not by virtue of the transfer or allotment, have any rights or remedies in respect of the securities; and no body corporate by whom the securities were issued or are managed shall take any cognisance of, or otherwise act upon, any such transfer except under the authority of the Board.

(2) No share warrants, stock certificates or bonds, being warrants, certificates or bonds payable to bearer, shall be issued in respect of any securities to which this section applies, being securities registered or inscribed in the name of an enemy or of a person acting on behalf of, or for the benefit of, an enemy.

(3) Any person who contravenes the provisions of this section shall be liable, on summary conviction, to imprisonment for a term not exceeding six months or to a fine not exceeding one hundred pounds or to both such imprisonment and such fine.

(4) This section applies to the following securities, that is to say, annuities, stock, shares, bonds, debentures or debenture stock registered or inscribed in any register, branch register or other book kept in the United Kingdom.

Purchase of
enemy currency.

6.—(1) Purchasing enemy currency shall be treated as trading with the enemy.

(2) In this section the expression "enemy currency" means any such notes or coins as circulate as currency in any area under the sovereignty of a Power with whom His Majesty is at war, not being an area in the occupation of His Majesty or of a Power allied with His Majesty, or any such other notes or coins as are for the time being declared by an order of the Treasury to be enemy currency.

Property of Enemies and Enemy Subjects.

Collection of
enemy debts
and custody
of enemy
property.

7.—(1) With a view to preventing the payment of money to enemies and of preserving enemy property in contemplation of arrangements to be made at the conclusion of peace, the Board of Trade may appoint custodians of enemy property for England, Scotland and Northern Ireland respectively, and may by order—

- (a) require the payment to the prescribed custodian of money which would, but for the existence of a state of war, be payable to or for the benefit of a person who is an enemy, or which would, but for the provisions of section four or section five of this Act, be payable to any other person;
- (b) vest in the prescribed custodian such enemy property as may be prescribed, or provide for, and regulate, the vesting in that custodian of such enemy property as may be prescribed;
- (c) vest in the prescribed custodian the right to transfer such other enemy property as may be prescribed, being enemy property which has not been, and is not required by the order to be, vested in the custodian;
- (d) confer and impose on the custodians and on any other person such rights, powers, duties and liabilities as may be prescribed as respects—
 - (i) property which has been, or is required to be, vested in a custodian by or under the order,
 - (ii) property of which the right of transfer has been, or is required to be, so vested,
 - (iii) any other enemy property which has not been, and is not required to be, so vested, or
 - (iv) money which has been, or is by the order required to be, paid to a custodian;
- (e) require the payment of the prescribed fees to the custodians in respect of such matters as may be prescribed and regulate the collection of and accounting for such fees;
- (f) require any person to furnish to the custodian such returns, accounts, and other information and to produce such documents, as the custodian considers necessary for the discharge of his functions under the order;

and any such order may contain such incidental and supplementary provisions as appear to the Board of Trade to be necessary or expedient for the purposes of the order.

(2) Where any requirement or direction with respect to any money or property is addressed to any person by a custodian and accompanied by a certificate of the custodian that the money or property is money or property to which an order under this section applies, the certificate shall be evidence of the facts stated therein, and if that person complies with the requirement or direction, he shall not be liable to any action or other legal proceeding by reason only of such compliance.

(3) Where, in pursuance of an order made under this section,—

- (a) any money is paid to a custodian,
- (b) any property, or the right to transfer any property, is vested in a custodian, or
- (c) a direction is given to any person by a custodian in relation to any property which appears to the custodian to be property to which the order applies,

neither the payment, vesting or direction nor any proceedings in consequence thereof shall be invalidated or affected by reason only that at a material time—

- (i) some person who was or might have been interested in the money or property, and who was an enemy or an enemy subject, had died or had ceased to be an enemy or an enemy subject, or
- (ii) some person who was so interested, and who was believed by the custodian to be an enemy or an enemy subject, was not an enemy or an enemy subject.

(4) Any order under this section shall have effect notwithstanding anything in any Act passed before this Act.

(5) If any person pays any debt, or deals with any property, to which any order under this section applies, otherwise than in accordance with the provisions of the order, he shall be liable on summary conviction to imprisonment for a term not exceeding six months or to a fine not exceeding one hundred pounds or to both such imprisonment and such fine; and the payment or dealing shall be void.

(6) If any person, without reasonable cause, fails to produce or furnish, in accordance with the requirements of an order under this section, any document or information which he is required under the order to produce or furnish, he shall be liable on summary conviction to a fine not exceeding ten pounds for every day on which the default continues.

(7) All fees received by any custodian by virtue of an order under this section shall be paid into the Exchequer of the United Kingdom.

(8) In this section—

- (a) the expression "enemy property" means any property for the time being belonging to or held or managed on behalf of an enemy or an enemy subject;
- (b) the expression "property" means real or personal property, and includes any estate or interest in real or personal property, any negotiable instrument, debt or other chose in action, and any other right or interest, whether in possession or not; and
- (c) the expression "prescribed" means prescribed by an order made under this section.

General and Supplementary Provisions.

8.—(1) Nothing in this Act shall affect the operation of section one of the Debts Clearing Offices and Import Restrictions Act, 1934, or of any order under that section, in so far as the said section or order relates to the payment to, and collection by, a Clearing Office of debts to which such an order applies; but—

Provisions with respect to money payable to, or received by, a Clearing Office under 24 & 25 Geo. 5. c. 31.

- (a) notwithstanding anything in subsection (6) of the said section or in any such order as aforesaid, any sum received by a Clearing Office by virtue of such an order, being—

- (i) a sum which is so received at a time when the Sovereign Power of the country with respect to which the order has been made is at war with His Majesty, or

- (ii) a sum which has been so received before the commencement of the war between that Power and His Majesty and has not, before the commencement of that war, ceased to be in the possession or under the control of the Clearing Office,

shall be retained by the Clearing Office, subject to any order which may be made under this Act requiring the Clearing Office to pay that sum to a custodian of enemy property, and subject to the provisions of subsections (4) and (6) of the said section with respect to overpayments made to the Clearing Office; and

- (b) any sum which a Clearing Office is required by paragraph (a) of this subsection to retain subject as aforesaid, shall, except in so far as it represents an overpayment made to the Clearing Office, be deemed for the purposes of this Act to be money which would, but for the existence of a state of war, be payable to or for the benefit of a person who is an enemy.

1. For the purpose of this Section references to "flying machines" except where the contrary intention appears, shall be deemed to include aero engines and the instruments, equipment and accessories of flying machines and aero engines, to which like conditions shall apply.

2. *Conditions of Inspection.*—When any flying machine which is required by these Rules to be certified as airworthy or in respect of which application for a certificate of airworthiness has been made is constructed, overhauled, repaired or modified, or when any part thereof is replaced, the flying machine shall not fly except in so far as flying machines which have no certificates of airworthiness are permitted to fly under these Rules, unless and until the following conditions have been complied with :—

(1) The work shall be completed in all essential respects in accordance with—

(a) the approved type design in conformity with which the flying machine was constructed, including any modifications to that design or to the flying machine which may have been required or approved by the Central Government, or

(b) a repair scheme which has been approved by the Central Government.

(2) The materials used shall be not inferior to those authorised for the type design in conformity with which the flying machine was constructed.

(3) The work shall be inspected in accordance with the provisions respecting inspection of subsequent flying machines applicable to the case.

(4) A certificate in the form set out in paragraph 4 of this Section, shall be obtained :

Provided that, in the case of repairs where it is not reasonably practicable to comply with the above requirements, whether by reason of particulars of the type design not being available or otherwise, a temporary repair may be made for the purpose of enabling the flying machine to proceed directly to the nearest place at which a repair complying with the above requirements can be carried out, and, if the pilot is satisfied that, having regard to all the circumstances of the case, such repair is adequate for the purpose, the flying machine may then proceed to fly to such place.

Provided further that, if it is proposed that such temporary repair shall remain in service, it shall be treated as a modification requiring the approval of the Central Government and until such approval has been obtained the flying machine shall not fly except as specified in the preceding proviso or in so far as aircraft which have no certificate of airworthiness are permitted to fly under these Rules.

3. *Inspection Requirements.*—The following conditions shall be complied with in the inspection of flying machines during construction (including overhaul), repair, modification, or replacements, namely :—

(1) All materials used in the construction of the flying machine shall be in accordance with the approved specification for the first flying machine constructed of that particular type, and such material shall be adequately identified as being of the approved specification or shall be proved to comply with such specification by suitable examination, sampling and testing.

(2) Every part must be approved by the constructor's inspecting staff by suitable process of testing and inspection to conform strictly to the approved type design. The constructor's inspecting staff shall stamp, or otherwise provide means for the identification of, all parts approved by them for incorporation in the flying machine in such a way that the person so approving each such part can subsequently be identified.

(3) Only parts which have been approved in accordance with clause (2) may be issued to the workshops for assembly into the flying machine.

(4) The constructor shall maintain an efficient process inspection during the work of assembly and record that progress of such inspection for each component. Every component shall be finally inspected and approved by a qualified member of his inspection staff, who shall mark the component in such a way that he may afterwards be identified as the person having so approved it and shall also sign the inspection record.

(5) Operations such as heat treatment of steels and nonferrous metals, seasoning and conversion of timber, gluing of important

parts, doping, welding, whitemetalling, brazing and soldering shall be carried out by methods approved by the Central Government.

(6) The constructor shall ensure that all components and parts obtained from sub-contractors have been inspected and approved in accordance with these conditions.

(7) The constructor shall ensure that all engines fitted in the flying machine have been inspected and approved in accordance with these conditions and have passed satisfactory tests. The constructor shall provide adequate facilities for these tests.

(8) The constructor shall ensure that the instruments and equipment fitted in accordance with Section B have been manufactured, and any repairs thereto executed, in accordance with approved specifications.

(9) The constructor shall ensure by suitable inspection that all engines, instruments and parts (including wiring for electrical equipment and radio-telegraph apparatus) which are fitted into the flying machine are so installed as to function correctly. The persons responsible for such inspection shall be indicated by signatures on the inspection record referred to in clause (4).

(10) The inspection record referred to in clause (4) of this paragraph shall be retained by the constructor.

(11) For the purpose of this paragraph the "constructor" is the person who, or firm which carries out any construction, overhaul, repair, modification or replacement.

4. *Form of certificate.*—The certificate referred to in clause (4) of paragraph 2 shall be appended to the written particulars of the construction, overhaul, repair, modification or replacement to which it relates, and shall be in the following form:—

I hereby certify that in carrying out the construction, overhaul, repair, modification, replacement, specified above all the conditions required for the inspection of subsequent flying machines during construction which are applicable to this flying machine have been complied with.

5. *Persons authorised to give certificates.*—The certificate referred to in clause (4) of paragraph 2 shall be signed by a ground engineer qualified under the terms and conditions of his licence to carry out or inspect the construction, overhaul, repair, modification, or replacement to which the certificate relates, or by a person authorised by a firm or company approved by the Central Government in this behalf, or, where the construction, overhaul, repair, or replacement has been carried out at a Royal Air Force workshop by Royal Air Force personnel, by the officer in charge of that workshop.

6. *Ground Engineers authorised to inspect.*—The categories of ground engineers who are authorised to inspect construction, overhauls, replacements, modifications and repairs are as follows:—

(a) Inspection of flying machines, excluding engines—a ground engineer licensed in Category B in respect of flying machines of the type in question.

(b) Inspection of engines—a ground engineer licensed in Category D in respect of engines of the type in question.

(c) Inspection of instruments, equipment and accessories of flying machines and engines—a ground engineer licensed in Category X in respect of the type of instrument, equipment or accessory in question.

7. *Disposal of certificates.*—The certificate referred to in clause (4) of paragraph 2 shall, in the case of a newly constructed flying machine, be placed in the Inspection Record referred to in clause (4) of paragraph 3, and otherwise shall, when it relates to the flying machine exclusive of the engine or engines, be written in the Aircraft log book, or, when it relates to the engine or engines, be written in the engine log book, or when it relates to instruments, equipment and accessories, in the aircraft or engine log book as may be most appropriate.

Provided that, if the appropriate log book is not at the place where the overhaul, repair, modification or replacement is carried out, the certificate may be given separately, but shall be pasted in the log book as soon as practicable and shall be kept with the working copy of the log book until so pasted.

8. *Inspection after damage.*—When structural damage which materially impairs its safety occurs to a flying machine in respect of which a certificate of airworthiness is required by these Rules, the flying machine shall not again fly until the damage has been repaired and a certificate has been obtained in accordance with this section.

9. *Defective parts.*—When any part of a flying machine, an aero-engine, or an instrument or equipment of a flying machine is revealed by inspection to be defective, the Central Government may require it to be delivered to a person authorised by him in this behalf for examination, and on a request being made by the owner such part shall be returned to him after examination.

10. *Further conditions applicable to construction of flying machines.*—In the case of construction of flying machine, the following conditions shall be complied with, namely:—

(1) On completion of the construction of the flying machine, flying trials will be carried out by the applicant's or constructor's pilot under approved arrangements.

(2) On completion of the flying trials referred to in clause (1) of this paragraph, a final inspection of the flying machine as regards its fitness for flight shall be made by a representative or representatives of the constructor holding ground engineer's licences

in Categories A and C for the type of flying machine concerned, and, if the result of this inspection warrants it, a certificate of fitness for flight in the form specified in paragraph 2 of Section D of this Schedule shall be furnished.

(3) On completion of the whole of the inspection operations specified above, the constructor shall forward to the Director of Civil Aviation in India a summary of the inspection record of the flying machine referred to in clause (4) of paragraph 3 in the form provided."

IV. In Schedule V to the said Rules, in Section B—

1. for paragraph 3, the following paragraph shall be substituted, namely:—

"3. The payment of the landing fee shall entitle aircraft to the use of the landing ground for alighting and departure, to the supply of all available information as to routes and weather conditions, and to the services of the aerodrome personnel, if available, for manual assistance in guiding, housing or mooring the aircraft."

2. after paragraph 13, the following paragraph shall be inserted, namely:—

"14. No housing charge shall be levied in respect of an aircraft housed in a Government

hangar for the purpose of inspection by a Government Aircraft Inspector during the period certified as necessary for the inspection by the Aircraft Inspector, including such period not exceeding 3 days after the conclusion of the actual inspection as may be necessary for re-assembly consequent on the inspection."

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 15th September, 1939 : -

L. A. BILL NO. 45 OF 1939.

A Bill to declare that properties of a Muslim dying intestate and without any heir devolve upon the Muslim Community.

WHEREAS doubts have arisen whether properties of an intestate owner dying without any heir should devolve upon the Muslim Community or be escheated to the Crown ;

AND WHEREAS it is expedient to resolve such doubt ;

It is hereby enacted as follows :—

Short title,
application and
extent.

1. (1) This Act may be called the Muslim Intestate Succession Act, 1939 .

(2) It shall apply to the estate both moveable and immoveable of a Muslim subject to the Muslim law of succession dying intestate without any heir, and shall extend to the whole of British India.

Devolution of
intestate estate.

2. Notwithstanding any law or custom to the contrary the estate of a Muslim subject to the Muslim law of succession dying intestate without any heir shall devolve on the Muslim Community and shall not escheat to the Crown.

*The Governor General has been pleased to accord the previous sanction required by section 67(2) (a) of the Government of India Act.

STATEMENT OF OBJECTS AND REASONS.

This Bill is intended to provide that the estate of an intestate Muslim subject to the Muslim law dying without any heir shall devolve on the Muslim Community in accordance with the *Shariat* in preference to its escheating to the Crown.

This rule of common law is inapplicable to Muslims who are subject to their own law which provides for such a contingency.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 15th September, 1939 :—

L. A. BILL No. 46 of 1939.

A Bill further to amend the Indian Penal Code.

WHEREAS it is necessary and expedient further to amend the Criminal Law of kidnapping and abduction in India ; It is hereby enacted as follows :—

Short title,
extent and
commencement.

1. (1) This Act may be called the Indian Penal Code (Amendment) Act, 193 .

(2) It shall apply to whole of British India.

(3) It shall come into force on

Amendment of
section 361, Act
XLV of 1860.

2. In section 361 of the Indian Penal Code, for the words XLV of "under fourteen years of age if a male, or under sixteen years 1860. of age if a female," the words "under eighteen years of age" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

The object of this amendment is to raise the age limit of a person, female as well as a male, in connection with the offence of kidnapping and abduction to under eighteen years, instead of the existing limit of under sixteen years and fourteen years in the case of a female and a male child respectively.

This reform is overdue. Experience shows that advantage is being taken of the weak intellect, immature judgment of minors, both male and female and their present day fancies and fantasies, to secure them for immoral and unlawful purposes. The age of majority, according to the provisions of the Majority Act of 1875, is eighteen years, and twenty-one, if the person is under a guardian appointed by courts. The Indian Penal Code has already been amended in cognate sections. In section 366-A, I.P.C., the age of a minor girl for the purpose of that section has been raised to under eighteen years. Now-a-days kidnapping and abduction of immature and less intelligent boys and girls has much increased. Therefore, there is no reason to make any distinction between the case of a male or a female child, as was formerly done.

In section 366-B, I.P.C., the age limit in the case of a girl has been raised to under eighteen years. In sections 372 and 373, I.P.C., which also deal with the moral ethics of persons, the age limit has been raised to under eighteen years. Lately some High Courts and recently the Judicial Commissioner of Sind in the "Mohini Alam Romance Case", have recognized the urgent need of this amendment.

(B) Algebra—The four Simple Rules, Proportion, Simple Equations, Greatest Common Measures, Least Common Multiple, Graphs of Simple Equations.

(C) Geometry—

Practical.

Bisection of angles and of straight lines.
 Construction of perpendiculars to straight lines.
 Construction of an angle equal to a given angle.
 Construction of parallels to a given straight line.
 Construction of triangles with given parts.
 Division of a straight line into a given number of equal parts.
 Construction of a parallelogram equal to a given triangle and having one of its angles equal to a given angle.
 Construction of a triangle equal in area to a given rectilineal figure.
 Construction of tangents to a circle.

Note.—Easy extensions of these constructions may be given as problems.

Candidates may be required to give the reasons for any particular construction involved in any question.

Every candidate is required to provide himself with the following:—

A hard pencil, dividers, pencil-compasses and a straight ruler showing centimetres and inches.

Theoretical.

Angles at a point.

If a straight line stands on another straight line, the sum of the two angles so formed is equal to two right angles; and the converse.

If two straight lines intersect, the vertically opposite angles are equal.

Parallel straight lines.

If a straight line, cutting two other straight lines, make—

- (i) the alternate angles equal,
 - (ii) two corresponding angles equal,
 - (iii) the interior angles on the same side of the line supplementary,
- then the two straight lines are parallel; and the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Triangles and rectilineal figures.

The sum of the angles of a triangle is equal to two right-angles.

If the sides of a convex polygon are produced in order, the sum of the angles so formed is equal to four right-angles.

Two triangles are equal in every respect,

- (i) if two sides and the included angle of one triangle are respectively equal to two sides and the included angle of the other.
- (ii) if two angles and a side of the one triangle are respectively equal to two angles and the corresponding side of the other.

If two sides of a triangle are equal, the angles opposite to these sides are equal; and the converse.

Two triangles are equal in every respect, if the three sides of one triangle are respectively equal to the three sides of the other.

Two right-angled triangles are equal in every respect, if they have their hypotenuses equal, and one side of the one equal to one side of the other.

If two sides of a triangle are unequal, the greater side has the greater angle opposite to it; and the converse.

Any two sides of a triangle are together greater than the third.

Of all the straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest.

The opposite sides and angles of a parallelogram are equal: each diagonal bisects the parallelogram and the diagonals bisect one another.

If there are three or more parallel straight lines, and the intercepts made by them on any straight line that cuts them are equal, then the corresponding intercepts on any other straight line that cuts them are equal.

Areas.

Parallelograms on the same or equal bases and of the same altitude are equal in area.

Triangles on the same or equal bases and of the same altitude are equal in area.

Equal triangles on the same or equal bases are of the same altitude.

Illustrations and explanations of the geometrical theorems corresponding to the following algebraical identities:—

$$k(a + b + c + \dots) = ka + kb + kc + \dots$$

$$(a + b)^2 = a(a + b) + b(a + b).$$

$$a(a + b) = a^2 + ab.$$

$$(a + b)^2 = a^2 + 2ab + b^2.$$

$$(a - b)^2 = a^2 - 2ab + b^2.$$

$$a^2 - b^2 = (a + b)(a - b).$$

The square on one side of a triangle is greater than, equal to or less than the sum of the squares on the other two sides, according as the angle contained by these sides is obtuse, right or acute. The difference in the cases of inequality is twice the rectangle contained by one of the two sides and the projection on it of the other.

Loci.

The locus of a point which is equidistant from two fixed points is the perpendicular bisector of the straight line joining the two fixed points.

The locus of a point which is equidistant from two intersecting straight lines consists of the pair of straight lines which bisect the angles between the two given lines.

The Circle.

A straight line drawn from the centre of a circle to bisect a chord which is not a diameter, is at right angles to the chord: conversely, the perpendicular to a chord from the centre bisects the chord.

There is one circle, and one only, which passes through three given points not in a straight line.

In equal circles (or in the same circle),

- (i) if two arcs subtend equal angles at the centre, they are equal,
- (ii) conversely, if two arcs are equal, they subtend equal angles at the centre.

In equal circles (or in the same circle),

- (i) if two chords are equal, they cut off equal arcs,
- (ii) conversely, if two arcs are equal, the chords of the arcs are equal.

Equal chords of a circle are equidistant from the centre; and the converse.

The tangent at any point of a circle is perpendicular to the radius through the point.

If two tangents are drawn to a circle from an external point,

- (i) they are equal,
- (ii) they subtend equal angles at the centre of the circle.

If two circles touch, the point of contact lies on the straight line through the centres.

The angle which an arc of a circle subtends at the centre is double that which it subtends at any point on the remaining part of the circumference.

Angles in the same segment of a circle are equal; and if the line joining two points subtends equal angles at two other points on the same side of it, the four points lie on a circle.

The angle in a semi-circle is a right angle; the angle in a segment greater than a semi-circle is less than a right angle; and the angle in a segment less than a semi-circle is greater than a right angle.

The opposite angles of any quadrilateral inscribed in a circle are supplementary; and the converse.

If a straight line touch a circle, and from the point of contact a chord be drawn, the angles which this chord makes with the tangent are equal to the angles in the alternate segments.

If two chords of a circle intersect either inside or outside the circle, the rectangle contained by the parts of the one is equal to the rectangle contained by the parts of the other.

Note.—Each question on Theoretical Geometry shall consist of a theorem contained in the above schedule together with an easy deduction.

Any proof of a proposition shall be accepted, which appears to the examiner to form part of a systematic treatment of the subject, but proofs of theorems, should, as far as possible, be based on first principles; the order in which the theorems are stated in the above schedule is not to be regarded as essential.

In the proof of theorems and deductions from them, it shall be permissible to use hypothetical constructions.

The ordinary symbolical abbreviations may be used.

Practical.

Simple cases of the constructions of circles satisfying given conditions.

Construction of regular figures of 3, 4, 5 and 6 sides in or about a given circle.

Construction of a square equal in area to a given rectangle.

Theoretical.

Proportion: Similar Triangles.

If a straight line is drawn parallel to one side of a triangle, the other two sides are divided proportionally; and the converse.

If two triangles are equiangular, their corresponding sides are proportional; and the converse.

If two triangles have one angle of the one equal to one angle of the other, and the sides about these equal angles proportional, the triangles are similar.

If a polygon is divided into triangles by a line joining a given point to its vertices, any similar polygon can be divided into corresponding similar triangles.

The ratio of the areas of two similar triangles or of two similar polygons, is equal to the ratio of the square on the corresponding sides.

The internal bisector of an angle of a triangle divides the opposite side internally in the ratio of the sides containing the angle; and likewise the external bisector externally.

If two sides of a triangle are unequal the greater side has the greater angle opposite to it; and the converse.

Any two sides of a triangle are together greater than the third.

Of all straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest.

When a straight line cuts two other straight lines, if—

- (1) a pair of alternate angles are equal, or
- (2) a pair of corresponding angles are equal, or
- (3) a pair of interior angles on the same side of the cutting line are together equal to two right angles,

then the straight lines are parallel; and the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

The sum of the angles of a triangle is equal to two right angles; and the two corollaries thereto.

If two triangles have two angles of the one equal to two angles of the other, each to each, and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two right-angled triangles have their hypotenuses equal and one other side of the one equal to one other side of the other, the triangles are congruent.

The opposite sides and angles of a parallelogram are equal, each diagonal bisects the parallelogram; and the diagonals bisect one another.

STATEMENT OF OBJECTS AND REASONS.

The primary object of this Bill is to secure to the grower a fair and steady price for his produce by adjusting as far as is practicable the supply of raw jute to the estimated world demand for jute and jute products in any given year. To achieve this it is proposed that powers be conferred upon Government to regulate in such manner and to such extent as may be necessary the total area of land upon which jute may be grown in Bengal.

Experience has shown that with unregulated cultivation of jute the supply of the raw material is often in excess of the demand with the result that prices fall so low as to be unremunerative to the grower. Prices also are often very unsteady and easily liable to manipulation to the detriment of the interests of the actual grower. To protect the grower and prevent wide fluctuations of the price of raw jute from season to season it is essential that a system of compulsory regulation be introduced.

The Bill accordingly provides in the first place for the making of a record of the land upon which every individual grower cultivated jute in any given year. This record is the essential basis upon which the proposed system of regulation by allotment of specific areas to each individual grower must be based.

The Bill further provides that Government may before the sowing season of any year commences declare, after due consideration of the position at the time regarding the supply and demand for jute and all matters pertinent thereto, that the area upon which the next crop may be sown shall be regulated and the extent of such regulation. Thereupon on the basis of the prepared record above referred to, allotment will be made to individual growers, through the agency of local Committees, of specific areas upon which under licence the cultivation of jute shall be permitted for the season about to commence. In this manner it is proposed to control the supply of raw jute and to adjust it as far as possible to the anticipated demand for the year in question.

2. The draft will be taken into consideration on the 14th February 1940 and any objection or suggestion received by the undersigned through the District Magistrate and the Divisional Commissioner before that date will be duly considered:—

Draft by-laws.

1. Every case of sudden and unexplained death of an animal shall be immediately reported to the Commissioners for proper investigation as to the existence of anthrax within the municipal limits.

2. On receipt of such report the Commissioners shall at once order seizure of the carcass and arrange for its proper protection and also safeguard it from being bled or skinned or attacked by carnivorous animals or birds or otherwise interfered with whereby infection may spread. The Commissioners shall then immediately ask the local Veterinary Officer to examine the suspected carcass and the said officer shall thereupon without delay inspect the carcass and proceed to take all necessary steps to ascertain the cause of death, including microscopical examination of blood smears, three of which, air-dried, shall be despatched by him as soon as possible to the Superintendent, Veterinary Vaccine Section, for confirmation. The results of the findings of the Veterinary Officer shall be immediately reported verbally, and later, in writing by him to the Commissioners and also to the local Health Officer, if any.

3. The carcass of an animal known or suspected to have died of anthrax shall not be skinned, but the whole carcass shall be disposed of either by burning completely or by burial in lime. In the latter case the carcass shall be buried in quicklime at a depth of at least six feet below the ground level.

4. Whenever the removal of the carcass of an animal suspected to have died of anthrax to a place of disposal is decided upon, the removal shall be conducted under the strict supervision of the Health Officer or other competent officer appointed by the Commissioners in this behalf with due regard to measures necessary to prevent the spread of infection therefrom.

5. Every stable in which an animal has died of anthrax shall be thoroughly disinfected with suitable material. Such disinfection shall be carried out by means of Painter's blowlamp followed by a linewash. For lime-wash the Commissioners may require that four ounces of chloride of lime containing 33 per cent. of available chlorine should be mixed with every gallon of water.

6. The wool, fur or hair of animals known or suspected to have contracted anthrax, if already collected, shall be destroyed at once and the place or places where such materials were kept shall be thoroughly disinfected in the manner laid down in by-law 5.

7. When required by the Commissioners to do so for the prevention of the spread of anthrax, the owners or managers of tanneries or wollen mills shall not dispose of any trade waste or refuse from such tanneries or mills which has been exposed to infection or contagion except by burning, if possible, or otherwise after proper disinfection in the manner specified by the Commissioners.

For the above purpose a mixture of half a pint of commercial carbolic acid per gallon of waste water from tanneries may be used.

8. Whoever commits a breach of any of the preceding by-laws 1 to 7 (except by-law 2) shall be liable to a fine which may extend to Rs. 50.
